CREDIT CARD AUTHORIZATION / PAYMENT GUARANTEE

Authorizing Charges to the Credit Card Shown Below

FAX BACK TO (866)871-6937

By signature on this form, you are authorizing TeamAutomation to consider this credit card "on file" to be used in the following circumstances:

1. The credit card guarantees payment of past due invoices OR authorizes immediate charge to the credit card, depending on the option indicated below. Any invoice for TeamAutomation provided products or services that becomes past due will be paid by use of this credit card. This authorization includes all charges shown on each invoice(s), which are past due. Services rendered are non-revocable charges and are due independent of outcome.
2. Upon specific instruction from a customer this credit card can be used to purchase software and hardware, after an authorizing signature on a written quotation has been received by TeamAutomation. TeamAutomation does not automatically charge your credit card for materials until we receive a signed quotation or written instruction.

An "**Authorization to bill all services**" below advises TeamAutomation that all services should be immediately invoiced and charged to the credit card as services are provided.

A "**Payment Guarantee Only**" option below advises that you will be invoiced on net 10 days terms (or other Net terms as agreed/accepted by TeamAutomation in writing prior to provision of any products or services) and charges may be applied to the card only immediately when invoice payments become delinquent. You MAY be notified by telephone prior to activating a payment guarantee charge, but TeamAutomation is not obligated in any way to extend further terms.

This authorization is a :
